Agostinis

Vino di Casa

We are very excited to be serving the only, 100% Italian made wines available on tap in Australia.

The TAP. system guarantees freshness and the pitch-perfect flavour of your wine every single time. These are some gorgeous wines all hand-selected in Italy.

PINOT GRIGIO

100% Pinot Grigio grapes from the Veneto region. A light to medium bodied wine with a dry and fruity style and beautifully fragrant bouquet. On the palate, the wine has a fresh and crisp flavour with good acidity and a long finish.

ROSÉ

85% Sangiovese / 15% Merlot grapes from Tuscany. TAP. Rosé is a dry, smooth wine with notes of fresh strawberries and a floral fragrance. The wine's perfectly balanced acidity and ending flavours combine for a refreshing mouth feel with a refined finish.

SANGIOVESE

100% Sangiovese grapes from Tuscany. A medium bodied style wine with soft tannins and well balanced acidity. A vibrant ruby red colour with aromas of deep and intense cherry fruit, mixed with light spice notes.

BEPPO'S BLEND \$65

Made especially for Agostinis by local wine genius, Bryan Martin from Ravensworth Wines at Murrumbateman. Beppo's is a blend of Sangiovese, Nebbiolo and Barbera, three great Italian varietals.

"Lots of cherry, flowers and spice aromas with a zingy acidity, the wine is on the light side of medium weight, which gives it a brilliant drinkability, particularly with food, and even more so with its natural pairing, Italian food."
